

CURRICULUM VITAE

Dinara Abbasova, PhD, EMBA

Associate Professor in Nuclear Chemistry

Vienna, Austria

Contact and identifiers

Full name (as in publications)	Dinara Abbasova
Name in Azerbaijani	Dinarə Abbasova
Country of residence	Austria
Scientific field	Nuclear and radiation chemistry

Profile summary

Dinara Abbasova holds a PhD in radiation chemistry from the Institute of Radiation Problems of the Azerbaijan National Academy of Sciences (2012) and the title of associate professor from the same institute (2016). She completed an Executive MBA at the Vienna University of Economics and Business in 2022–2024. From 2004 to 2012 she was head of the national INIS center, scientific secretary, and chromatography and quality manager at the Institute of Radiation Problems. Later posts include visiting professor at the Institute of Geology of the Polish Academy of Sciences, consultant at the International Atomic Energy Agency in 2017–2019 and 2023–2025, and scientist in knowledge management at HZDR in 2020–2023.

Education

Years	Degree	Field / thesis title	Institution, city, country
2022–2024	EMBA		Vienna University of Economics and Business, Vienna, Austria
2016	Associate Professor	Nuclear chemistry	Institute of Radiation Problems, Azerbaijan National Academy of Sciences, Baku, Azerbaijan
2012	PhD	Radiation chemistry	Institute of Radiation Problems, Azerbaijan National Academy of Sciences, Baku, Azerbaijan
2002–2004	MSc	Chemistry	Baku State University, Baku, Azerbaijan
1998–2002	BSc	Chemistry	Baku State University, Baku, Azerbaijan

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
2023–2025	Consultant		International Atomic Energy Agency, Vienna, Austria
2020–2023	Scientist, knowledge management		HZDR
2017–2019	Consultant		International Atomic Energy Agency
2015–2017	Consultant		Delta unlimited sp. z o.o.

Years	Position	Department / unit	Institution, city, country
2012–2015	Visiting Professor		Institute of Geology, Polish Academy of Sciences
2004–2012	Head of the National INIS Center, scientific secretary, chromatography expert, and quality manager		Institute of Radiation Problems, Azerbaijan National Academy of Sciences, Baku, Azerbaijan
2002–2004	Chromatography expert and quality manager		Azlab oil company, Azerbaijan

Grants and research projects

Years	Project title	Funding body	Your role
	EURAD	EU	Knowledge management in radioactive waste management
	PIANOFORTE Partnership	EU	Knowledge-management expert
	ATLAB	EU	Research and capacity building

Awards, honors and fellowships

Year	Award / honor	Awarding body
2024	Certificate of recognition for voluntary support	IAEA
2019	Appreciation	UAE Permanent Mission, IAEA
2015–2020	Simon's Award, associate member	ICTP
2012	Young Nuclear Professional Woman of Azerbaijan	IAEA WiN Global
2010	Achievement in Science	Ministry of Sport and Youth of Azerbaijan
2010	Fellowship	IAEA
