

CURRICULUM VITAE

Suleyman Allahverdiyev, DSc

Head of the Laboratory of Controlled Photobiosynthesis

K. A. Timiryazev Institute of Plant Physiology, Russian Academy of Sciences, Moscow, Russian Federation

Contact and identifiers

Full name (as in publications)	Suleyman I. Allahverdiyev
Name in Azerbaijani	Allahverdiyev Süleyman İfxan oğlu
Country of residence	Russian Federation
ResearchGate / LinkedIn / website	https://phrs-conference.com
Scientific field	Plant physiology and biophysics

Profile summary

Suleyman Allahverdiyev heads the Laboratory of Controlled Photobiosynthesis at the K. A. Timiryazev Institute of Plant Physiology in Moscow. He also holds professorships and laboratory posts in Pushchino, at Lomonosov Moscow State University, the Moscow Institute of Physics and Technology, Bahçeşehir University in Istanbul, the Institute of Molecular Biology and Biotechnologies in Baku, al-Farabi Kazakh National University, and Foshan University. He graduated in physics from Azerbaijan State University in 1973, received the Candidate of Physical and Mathematical Sciences degree in biophysics in 1984, and the Doctor of Sciences degree in plant physiology and biochemistry in 2002. The CV, dated June 2024, states more than 450 articles, 41 book chapters, 7 patents, and 13 monographs, with more than 30,000 citations and an h-index of 85. He was elected a corresponding member of the Russian Academy of Sciences in 2022.

Education

Years	Degree	Field / thesis title	Institution, city, country
2002	DSc	Plant physiology and biochemistry. Supervisors named: Academician Aleksandr A. Krasnovsky and Dr. Vyacheslav V. Klimov	K. A. Timiryazev Institute of Plant Physiology, Russian Academy of Sciences, Moscow
1984	Candidate of Physical and Mathematical Sciences	Biophysics. The thesis concerned the role of pheophytin in electron transfer in the reaction center of photosystem II	Institute of Biophysics, Academy of Sciences of the USSR, Pushchino
1973	University diploma	Physics	Azerbaijan State University, Baku, Azerbaijan

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
	Head of laboratory	Laboratory of Controlled Photobiosynthesis	K. A. Timiryazev Institute of Plant Physiology, Russian Academy of Sciences, Moscow, Russian Federation

Years	Position	Department / unit	Institution, city, country
	Chief researcher		Institute of Basic Biological Problems, Russian Academy of Sciences, Pushchino, Russian Federation
	Professor		Lomonosov Moscow State University, Moscow, Russian Federation
	Professor		Moscow Institute of Physics and Technology, Moscow, Russian Federation
	Head of laboratory	Laboratory of Photosynthesis and Hydrogen Energy	Bahçeşehir University, Istanbul, Turkey
	Head of laboratory	Laboratory of Bionanotechnology	Institute of Molecular Biology and Biotechnologies, Azerbaijan National Academy of Sciences, Baku, Azerbaijan
	Professor		al-Farabi Kazakh National University, Almaty, Kazakhstan
	Professor		Foshan University, Foshan, China
1990–2007	Visiting researcher		National Institute for Basic Biology, Okazaki, Japan. With Prof. Norio Murata
1988–1990	Visiting researcher	Faculty of Chemistry and Biology	Université du Québec à Trois-Rivières, Quebec, Canada. With Prof. Robert Carpentier

Research metrics

Indicator	Value	Source	Date checked
Articles in international journals indexed in Web of Science	More than 450	CV	June 2024
Book chapters	41	CV	June 2024
Patents	7	CV	June 2024
Monographs	13	CV	June 2024
Citations	More than 30,000	CV	June 2024
h-index	85	CV	June 2024

Awards, honors and fellowships

Year	Award / honor	Awarding body
2024	Nejat Veziroğlu Special Award	
2024	Jubilee medal for the 300th anniversary of the Russian Academy of Sciences	Russian Academy of Sciences
2022	Honored Worker of Science of the Russian Federation	Russian Federation
2022	Corresponding member	Russian Academy of Sciences

Year	Award / honor	Awarding body
2022	Gold medal for services to science	al-Farabi Kazakh National University
2022	Jubilee medal, 75 years of the Moscow Institute of Physics and Technology	
2021	Global Energy Prize, non-traditional energy	
2019	K. A. Timiryazev Prize	Russian Academy of Sciences
2018	Scopus Awards Russia, life sciences	Scopus
2018	Web of Science Award for contribution to science in Azerbaijan	Web of Science
2016	Most cited Russian researcher in biology	Thomson Reuters / Clarivate Analytics
