

CURRICULUM VITAE

Natig Atakishiyev, PhD, DSc

Researcher (Investigador Nacional Emérito)

Institute of Mathematics, National Autonomous University of Mexico, Cuernavaca, Morelos, Mexico

Contact and identifiers

Full name (as in publications)	Natig M. Atakishiyev
Name in Azerbaijani	Natig Atakışiyev
Country of residence	Mexico
Institutional email	natig@im.unam.mx
Scientific field	Mathematics and theoretical physics

Profile summary

Natig Atakishiyev is a researcher, with the rank Investigador Nacional Emérito, at the Institute of Mathematics of the National Autonomous University of Mexico in Cuernavaca, where he has worked since 1996. He received a diploma, described in the CV as equivalent to an MSc, from Azerbaijan State University in 1961, the Candidate of Physical and Mathematical Sciences degree, described as equivalent to a PhD, from the Institute of High Energy Physics in Serpukhov in 1971, and the Doctor of Physical and Mathematical Sciences degree from the Institute of Theoretical Physics in Kiev in 1987. From 1983 to 1994 he headed the Laboratory for the Theory of Elementary Particles at the Institute of Physics in Baku. The CV lists 131 journal papers and 62 conference papers, with 2,825 citations and an h-index of 28.

Education

Years	Degree	Field / thesis title	Institution, city, country
1987	DSc	Physical and mathematical sciences	Institute of Theoretical Physics, Kiev
1971	PhD	Candidate of physical and mathematical sciences. The CV states that this is equivalent to a PhD	Institute of High Energy Physics, Serpukhov, Russia
1961	MSc	Physics. The CV states that the diploma is equivalent to an MSc	Azerbaijan State University, Baku, Azerbaijan

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
1996–present	Researcher (Investigador Nacional Emérito)		Institute of Mathematics, National Autonomous University of Mexico, Cuernavaca, Mexico
September–October 2010	Visiting professor		Feza Gürsey Research Institute for Basic Sciences and Boğaziçi University, Istanbul, Turkey
November–December 2008	Visiting professor	Department of Applied Mathematics II	University of Vigo, Spain
April 2008	Visiting professor		Korteweg–de Vries Institute for Mathematics, University of Amsterdam, Netherlands

Years	Position	Department / unit	Institution, city, country
April 2007	Visiting professor	Department of Applied Mathematics II	University of Vigo, Spain
2005	Visiting professor (6 months)	Department of Physics	Boğaziçi University, Istanbul, Turkey
2005	Visiting professor (1 month)		Institute of Theoretical Physics, São Paulo State University, São Paulo, Brazil
2004	Visiting professor (1 month)	Department of Mathematics	University of Seville, Seville, Spain
2001	Visiting professor (2 months)	Department of Mathematics	University of Seville, Seville, Spain
1999	Visiting professor (1 month)	Department of Physics	Boğaziçi University, Istanbul, Turkey
1998–1999	Visiting professor (1 month)		Centre de Recherches Mathématiques, Université de Montréal, Montreal, Canada
1994–1996	Visiting scholar (Cátedra Patrimonial de Excelencia, Nivel II)		Institute for Research in Applied Mathematics and Systems, National Autonomous University of Mexico
1983–1994	Head of laboratory	Laboratory for the Theory of Elementary Particles	Institute of Physics, Azerbaijan Academy of Sciences, Baku, Azerbaijan
1992–1993	Visiting professor (3 months)		Institute for Research in Applied Mathematics and Systems, National Autonomous University of Mexico
1992	Visiting professor (2 months)	Department of Mathematics and Statistics	Carleton University, Ottawa, Canada
1991	Visiting professor (2 months)	Department of Mathematics	University of South Florida, Tampa, Florida, United States
1991	Visiting professor (3 months)	Department of Mathematics and Statistics	Carleton University, Ottawa, Canada
1989	Visiting professor (1 month)	Department of Mathematics	Leipzig University, Leipzig, Germany
1987–1988	Visiting professor (3 months)		Institute for Research in Applied Mathematics and Systems, National Autonomous University of Mexico
1984	Visiting professor (3 months)		Institute for High Energy Physics, Berlin-Zeuthen, Germany
1983	Visiting professor (1 month)		Institute for High Energy Physics, Berlin-Zeuthen, Germany
1973–1974	Visiting scholar (10 months)	Department of Physics	Columbia University, New York, United States
1972–1983	Senior researcher		Institute of Physics, Azerbaijan Academy of Sciences, Baku, Azerbaijan

Years	Position	Department / unit	Institution, city, country
1967–1972	Researcher		Institute of Physics, Azerbaijan Academy of Sciences, Baku, Azerbaijan
1964–1967	Graduate study in theoretical physics	Laboratory of Theoretical Physics	Joint Institute for Nuclear Research, Dubna
1961–1964	Junior researcher		Institute of Physics, Azerbaijan Academy of Sciences, Baku, Azerbaijan

Research metrics

Indicator	Value	Source	Date checked
Journal papers	131	CV	June 2024
Conference papers	62	CV	June 2024
Citations	2825	CV	June 2024
h-index	28	CV	June 2024

Publications

Books and textbooks

1. **Atakishiyev**, N. M.; Seligman, T. H.; Wolf, K. B. (eds.). Proceedings of the IV Wigner Symposium, Guadalajara, Mexico, 7–11 August 1995. World Scientific, Singapore, 1996.
2. **Atakishiyev**, N. M.; de la Peña, J. A.; Vallejo, E. (eds.). Proceedings of the XV Coloquio Latinoamericano de Álgebra, Cocoyoc, Morelos, Mexico, 20–26 July 2003. Contemporary Mathematics, vol. 376. American Mathematical Society, Providence, 2005.

Awards, honors and fellowships

Year	Award / honor	Awarding body
4 July 2011	Emeritus Man of Science	President of the Republic of Azerbaijan
2010	Included in 200 Mexicans We Inherited from the World	National Immigration Institute, Mexico City

Supervision

Level	Number	Notes
PhD	5	Shakir M. Nagiyev, 1979, covariant formulation of relativistic Hamiltonian theory on the light cone; Mikhail S. Pomerants, 1989, static bound states of fluxons in inhomogeneous Josephson junctions; Elchin I. Jafarov, 1999, algebraic approach and quantum distribution functions for difference quantum systems; Juvenal Rueda Paz, 2008, Sobre algunas familias de q-polinomios; Ainura M. Jafarova, 2016, solutions of difference equations for deformed quantum systems
