

CURRICULUM VITAE

Zahid Gojayev, DSc

Deputy Director for Innovation and Implementation; Professor

Federal Scientific Agroengineering Center VIM, Moscow, Russia

Contact and identifiers

Full name (as in publications)	Zahid Gojayev
Name in Azerbaijani	Zahid Qocayev
Country of residence	Russia
Scientific field	Mechanical engineering; robotics

Profile summary

Zahid Gojayev is deputy director for innovation and implementation at the Federal Scientific Agroengineering Center VIM and a professor at Moscow Polytechnic University and Bauman Moscow State Technical University. He is a Doctor of Technical Sciences and a corresponding member of the Russian Academy of Sciences, elected in 2019. He defended a Candidate of Technical Sciences dissertation at Bauman Moscow State Technical University in 1979 and a Doctor of Technical Sciences dissertation in 1994. From 2002 to 2014 he was general director of the Federal Research and Testing Center for Mechanical Engineering. The CV states more than 300 scientific works, monographs, and patents.

Education

Years	Degree	Field / thesis title	Institution, city, country
1994	DSc	Doctor of Technical Sciences	
1979	Candidate of Technical Sciences	Defended at Bauman Moscow State Technical University. The English text adds Ph.D. in parentheses	Bauman Moscow State Technical University, Moscow, Russia
1975–1978	Postgraduate study		Bauman Moscow State Technical University, Moscow, Russia
1967	Secondary school		Bardin City Secondary School No. 1, Azerbaijan S.S.R.

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
2014–present	Deputy Director for Innovation and Implementation		Federal Scientific Agroengineering Center VIM, Ministry of Education and Science of Russia, Moscow
	Professor	Part-time at Bauman Moscow State Technical University	Moscow Polytechnic University and Bauman Moscow State Technical University
2002–2014	General Director		Federal Research and Testing Center for Mechanical Engineering, Ministry of Industry and Trade of Russia
1979–2002	Senior researcher, leading researcher, and chief researcher		State Research Institute NATI, Moscow

Years	Position	Department / unit	Institution, city, country
1979	Research associate		Bauman Moscow State Technical University, Moscow
1973–1975	Engineer		Research institute of the USSR Ministry of the Electrical Engineering Industry
2016–present	Member		Robotics Council of the Russian Academy of Sciences
	Coordinator		Russian Technological Platform Innovative Machine Technologies for Agriculture. More than 45 organizations

Research metrics

Indicator	Value	Source	Date checked
Scientific works, monographs, and patents	More than 300	CV	
Research and development projects on mobile machinery	More than 60	CV	

Grants and research projects

Years	Project title	Funding body	Your role
2002–2023	Projects on mobile machines for extreme conditions, test complexes and proving grounds, and nanotechnology in mechanical engineering	Ministries of Industry and Trade, Education and Science, and Agriculture of Russia	

Awards, honors and fellowships

Year	Award / honor	Awarding body
2022	Prize of the Government of Russia in science and technology	Government of Russia
2019	Corresponding member	Russian Academy of Sciences
2009	Academician	Crimean Academy of Sciences

Supervision

Level	Number	Notes
Candidate and doctoral dissertations in mechanical engineering and robotics		A number were completed under his supervision. The count is not stated
Member of specialized dissertation councils	3
