

CURRICULUM VITAE

Reza Moridi, PhD

Senior Fellow

Massey College, University of Toronto, Toronto, Canada

Contact and identifiers

Full name (as in publications)	Reza Moridi
Name in Azerbaijani	Rıza Moridi
Country of residence	Canada
Scientific field	Physics; radiation safety; research policy

Profile summary

Reza Moridi is a senior fellow of Massey College at the University of Toronto, a post he has held since 2020. He was Ontario's Minister of Research, Innovation and Science in 2014–2016 and Minister of Training, Colleges and Universities, and he sat in the Ontario parliament for Richmond Hill from 2007 to 2018. He received a PhD in physics from Brunel University in 1975, an MTech in semiconductor physics and technology there in 1972, an MSc in nuclear physics from the University of Tehran in 1968, and a BSc in physics there in 1966. Odlar Yurdu University awarded him an honorary doctorate in 2017. He chaired the board of the Radiation Safety Institute of Canada from 2019.

Education

Years	Degree	Field / thesis title	Institution, city, country
2017	Honorary doctorate		Odlar Yurdu University, Baku, Azerbaijan
1975	PhD	Physics	Brunel University, London, United Kingdom
1972	MTech	Semiconductor physics and technology. Highest grade in the final examinations	Brunel University, London, United Kingdom
1968	MSc	Nuclear physics	University of Tehran, Iran
1966	BSc	Physics	University of Tehran, Iran

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
2020–present	Senior Fellow		Massey College, University of Toronto, Canada
2019–present	Honorary adjunct professor		Shandong Normal University, China
2019–present	Chair of the board		Radiation Safety Institute of Canada, Toronto
2014–2016	Minister of Research, Innovation and Science		Ontario Cabinet, Canada
2013–2018	Minister of Training, Colleges and Universities		Ontario Cabinet, Canada

Years	Position	Department / unit	Institution, city, country
2007–2018	Member of Provincial Parliament, Richmond Hill		Ontario Parliament, Canada
2003–2007	Vice president and chief scientist		Radiation Safety Institute of Canada
1991–2003	Senior scientist, director, and vice president		Radiation Safety Institute of Canada
1987–1990	Senior lecturer in physics		University of the South Pacific, Suva, Fiji
1976–1981	Assistant professor, founding chair of physics, and founding dean of the School of Sciences		Farah Pahlavi University, Tehran, Iran
1972–1975	Assistant lecturer		Acton Technical College, London, United Kingdom

Awards, honors and fellowships

Year	Award / honor	Awarding body
2022	Queen Elizabeth II Platinum Jubilee Medal	
2019	Special Contribution Award for Sino-Canada Innovation Collaboration	Canada Confederation of Shenzhen Association
2018	Global Innovation Ecosystem Impact Award	UBI Global, Stockholm
2017	Honorary doctorate	Odlar Yurdu University
2016	50 most successful graduates	Brunel University London
2016	Paul Harris Fellow	Rotary Foundation
2015	Delmar McCormack Smyth Award	Radiation Safety Institute of Canada
2012	Queen Elizabeth II Diamond Jubilee Medal
