

CURRICULUM VITAE

Shahriyar Mukhtarov, PhD

Professor

Department of Economics, Korea University, Seoul, South Korea

Contact and identifiers

Full name (as in publications)	Shahriyar Mukhtarov
Name in Azerbaijani	Şəhriyar Muxtarov
Country of residence	Poland
Institutional email	s.mukhtarov@vistula.edu.pl
Scientific field	Economics

Profile summary

Shahriyar Mukhtarov is a professor in the Department of Economics at Korea University in Seoul, where he has worked since May 2024. He is also professor and head of the PhD program at Vistula University in Warsaw, a post he has held since August 2023, and professor at Khazar University in Baku since November 2023. He received a PhD from the Institute of Banking and Insurance at Marmara University in 2012–2016. The Supreme Attestation Commission under the President of the Republic of Azerbaijan confirmed the diploma on 27 April 2018 and awarded the associate professor title on 12 October 2021. His master's degree is from Marmara University (2010–2012) and his bachelor's degree in international economics is from Azerbaijan State University of Economics (2006–2010).

Education

Years	Degree	Field / thesis title	Institution, city, country
12 October 2021	Associate Professor	Title awarded by the Supreme Attestation Commission under the President of the Republic of Azerbaijan	Baku, Azerbaijan
2012–2016	PhD	The diploma was confirmed by the Supreme Attestation Commission on 27 April 2018	Institute of Banking and Insurance, Marmara University, Istanbul, Turkey
2010–2012	Master's degree		Institute of Banking and Insurance, Marmara University, Istanbul, Turkey
2006–2010	Bachelor's degree	International economics	Azerbaijan State University of Economics, Baku, Azerbaijan

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
May 2024–present	Professor		Department of Economics, Korea University, Seoul, South Korea
August 2023–present	Professor and head of the PhD program		Faculty of Business and International Relations, Vistula University, Warsaw, Poland

Years	Position	Department / unit	Institution, city, country
July 2024–present	Director		Research Center for Sustainable Economic Development, Khazar University, Baku, Azerbaijan
November 2023–present	Professor		Department of Economics and Management, Khazar University, Baku, Azerbaijan
September 2018–present	Research Fellow		UNEC Empirical Research Center, Azerbaijan State University of Economics, Baku
March 2021–August 2023	Research Fellow and Associate Professor		Faculty of Economics and International Relations, Vistula University, Warsaw, Poland
February 2019–September 2022	Head of the Department of Economics		Baku Engineering University, Baku, Azerbaijan
May 2019–September 2022	Associate Professor		Department of Economics, Baku Engineering University, Baku, Azerbaijan
February 2017–May 2019	Senior lecturer		Department of Economics, Baku Engineering University, Baku, Azerbaijan
March 2017–June 2020	Senior lecturer		Department of Economics and Management, Azerbaijan State University of Economics, Baku
September 2017–February 2019	Vice dean		Faculty of Economics and Management, Khazar University, Baku, Azerbaijan
December 2014–February 2017	Deputy head of the Department of Economics		Qafqaz University, Baku, Azerbaijan
September 2011–March 2014	Research assistant		Department of Economics, Qafqaz University, Baku, Azerbaijan

Publications

Books and textbooks

Grants and research projects

Years	Project title	Funding body	Your role
2020	Exploring exports-driven growth through free trade agreements among CAREC members: learning from the Pakistan–China free trade agreement	CTTN Research Grants Program, CAREC Institute	

Awards, honors and fellowships

Year	Award / honor	Awarding body
2023 and 2024	Listed in the Stanford University top 2 percent of most influential scientists	Stanford University
2021	Second place, Victory Award in Science	Science Development Foundation under the President of the Republic of Azerbaijan, ANAS, ICESCO, and IETI
18 October 2018	Second place, scientific article among young economist researchers	Institute of Economics, Azerbaijan National Academy of Sciences

Supervision

Level	Number	Notes
Master's	14	Theses at Azerbaijan State University of Economics, Baku Engineering University, and Qafqaz University, 2016–2020. Names and titles are in the source

Teaching

Years	Course	Level	Institution
	Introduction to economics; microeconomics; macroeconomics; monetary policy; environmental economics; economic development; research methods		Qafqaz University and later appointments

Invited talks and conference participation

Year	Event, place	Type	Title of talk
3–4 May 2019	Azerbaijan Tourism and Management University, Baku	Keynote	Re-evaluating the environmental impacts of tourism: the case of Azerbaijan
