

CURRICULUM VITAE

Mirza Mutallimov, Dr. med.

Specialist physician and Associate Professor

Department of Internal Medicine and Cardiology, Saarland University Hospital, Germany

Contact and identifiers

Full name (as in publications)	Mirza Mutallimov
Name in Azerbaijani	Mirzə Mütəllibov
Country of residence	Germany
Scientific field	Medicine (cardiology)

Profile summary

Mirza Mutallimov is a specialist physician and associate professor in internal medicine and cardiology at Saarland University Hospital, and, since June 2019, head of department for internal medicine, cardiology, and rhythmology at Klinikum Idar-Oberstein, a teaching hospital of the University of Mainz. He trained in medicine in Baku from 2004 to 2011 and received German medical licensure (Approbation) in 2013. He was a doctoral student at the University of Cologne from December 2019 to March 2024; the dissertation, on the ECG in the diagnosis of diastolic heart failure, is dated 2024. He holds specialist recognition in internal medicine and cardiology, invasive electrophysiology, heart failure, and interventional cardiology.

Education

Years	Degree	Field / thesis title	Institution, city, country
December 2019–March 2024	Dr. med.	Stellenwert des EKGs in der Diagnostik der diastolischen Herzinsuffizienz. Universität zu Köln, 2024. https://kups.ub.uni-koeln.de/72620/	University of Cologne, Cologne, Germany
2022–present	Master's degree	Healthcare management	University of Erlangen-Nuremberg, Germany
2024	Specialist	Interventional cardiology	
2024	Specialist	Heart failure	
2020	Specialist	Invasive electrophysiology and active cardiac rhythm-device implants	
2019	Specialist	Internal medicine and cardiology	
2013	Approbation	Medical licensure in Germany	
2004–2011	Medical degree and internship		Azerbaijan International University and Azerbaijan Medical University, Baku, Azerbaijan
September 1993–July 2004	Secondary-school certificate	Physics, mathematics, and informatics	Republic lyceum, Azerbaijan

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
1 September 2022–present	Specialist physician and Associate Professor	Internal medicine and cardiology	Saarland University Hospital, Germany
1 June 2019–present	Head of department; specialist in internal medicine, cardiology, and rhythmology	Cardiology and pulmonology	Klinikum Idar-Oberstein, teaching hospital of the University of Mainz, Germany
September 2016–June 2019	Resident physician	Invasive cardiology, electrophysiology, and rhythmology	Klinikum Gütersloh, teaching hospital of the University of Münster, Germany
June 2012–July 2016	Resident physician	Cardiology, nephrology, and diabetology	Bielefeld Bethel Hospital, University Hospital of Bielefeld, Germany
August 2011–May 2012	Cardiologist	Cardiology and electrophysiology	Central Clinical Hospital, Baku, Azerbaijan
August 2007–May 2010	Mid-level medical worker	Intensive cardiology	Research Institute of Cardiology, Baku, Azerbaijan
