

CURRICULUM VITAE

Murad Omarov, PhD, DSc

Vice-Rector for International Cooperation; Professor

Kharkiv National University of Radio Electronics, Kharkiv, Ukraine

Contact and identifiers

Full name (as in publications)	Murad Anver oglu Omarov
Name in Azerbaijani	Ömərov Murad Ənvər oğlu
Country of residence	Ukraine
Institutional email	murad.omarov@nure.ua
Scientific field	Electronic engineering; information-measuring systems

Profile summary

Murad Omarov is vice-rector for international cooperation at Kharkiv National University of Radio Electronics, a post he has held since 2015, and a professor there. He qualified as an electronic engineering engineer at the Kharkov Institute of Radio Electronics in 1980–1985. The CV describes a Candidate of Technical Sciences degree from postgraduate study in 1988–1991, and labels that thesis a PhD thesis, and a Doctor of Technical Sciences degree from doctoral study in 1999–2003. He has supervised four doctoral theses and teaches courses in communications, automation, robotics, and higher mathematics.

Education

Years	Degree	Field / thesis title	Institution, city, country
1999–2003	DSc	Information-measuring systems and networks. Thesis: development of the theory and practice of designing electrodynamic devices with distributed and quasidistributed nonlinear elements. Supervisor: Prof. A. I. Luchaninov	Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
1988–1991	PhD	Candidate of technical sciences, information and measurement systems and networks. Thesis: research and development of new elements and devices of electronic equipment, and improvement of fiber-optic information transmission systems. Supervisor: Prof. I. Sh. Nevludov. The CV titles this a PhD thesis	Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
1980–1985	Diploma	Electronic devices. Qualification: electronic engineering engineer	Kharkov Institute of Radio Electronics, Kharkov, Ukraine

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
2015–present	Vice-rector for international cooperation		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine

Years	Position	Department / unit	Institution, city, country
2012–2015	Dean of the training faculty for foreign citizens		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
2009–2015	Head of the Department of Natural Sciences	Department of Natural Sciences	Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
2009–2012	Director of the training center for foreign citizens		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
2003–2009	Professor		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
1999–2002	Senior scientific associate		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
1999	Electronic engineer		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
1994–1999	Director		Khazar Ltd., Kharkov, Ukraine
1993–1994	Acting general director		Ukrainian-Turkish joint venture Sprut Ltd., Kharkov, Ukraine
1993	Head of the marketing department		Scientific and Production Association Iskra, Kharkov, Ukraine
1992–1993	Electronic engineer		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
1986–1988	Trainee researcher		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine
1985–1986	Engineer in maintenance of computer facilities		Kharkiv National University of Radio Electronics, Kharkiv, Ukraine

Awards, honors and fellowships

Year	Award / honor	Awarding body
2016	Honored Worker of Science of Azerbaijan	Azerbaijan
2004	Academician of the Academy of Sciences of Applied Radio Electronics of Ukraine, Russia, and Belarus	

Supervision

Level	Number	Notes
PhD	4	E. A. Razumov-Frizyuk, technological provision of electrical control of multilayer switching cards; A. I. Sukhomlinov, information systems for production logistics; V. Kh. Muradova, models and information technologies for remote-education management; T. V. Tihaya, informational internet marketing

Teaching

Years	Course	Level	Institution
2003–2024	Means of communication of computerized systems; fundamentals of automation and robotics; automation and robotization of production; modern methods of automatic control of technological processes; higher mathematics for foreign students		Kharkiv National University of Radio Electronics

Invited talks and conference participation

Year	Event, place	Type	Title of talk
2019–2024	ICONAT	Chair of the organizing committee	International Conference on Natural Sciences and Technologies
2015	19th International Youth Forum Radio Electronics and Youth in the XXI Century, Kharkiv, Ukraine	Chair of the organizing committee	
2015	International conference Language and Specialty, Kharkiv, Ukraine	Co-chair of the organizing committee	
2010	International conference Language and Specialty, Kharkiv, Ukraine	Member of the organizing committee
