

CURRICULUM VITAE

Aliheydar Rahimov, DSc

Professor of anesthesiology and intensive care

I. M. Sechenov First Moscow State Medical University, Moscow, Russian Federation

Contact and identifiers

Full name (as in publications)	Aliheydar Aghaalakbar oglu Rahimov
Name in Azerbaijani	Rəhimov Əliheydər Ağəəkbər oğlu
Country of residence	Russian Federation
Scientific field	Medicine (transfusiology and hematology)

Profile summary

Aliheydar Rahimov is a professor in the Department of Anesthesiology and Intensive Care at I. M. Sechenov First Moscow State Medical University, a post dated 2021 to the present. He has also headed the Department of Transfusiology at the Russian Scientific Center of Surgery named after B. V. Petrovsky since 1992. He graduated from the N. Narimanov Azerbaijan State Medical Institute in 1976, received the Candidate of Medical Sciences degree in 1980, the Doctor of Medical Sciences degree in 1988, and the title of professor in hematology and blood transfusion in 1993. The CV states more than 390 scientific works, including 18 monographs and 13 textbooks, supervision of 15 candidate and 6 doctoral dissertations, and 4 inventions.

Education

Years	Degree	Field / thesis title	Institution, city, country
1993	Professor	Hematology and blood transfusion	Russian Scientific Center of Surgery named after B. V. Petrovsky, Moscow
1988	DSc	Comprehensive assessment of the immune status of persons with inherited blood anomalies, hemoglobinopathies, and glucose-6-phosphate dehydrogenase deficiency	Hematological Scientific Center, Russian Academy of Medical Sciences, Moscow
1980	Candidate of Medical Sciences		Central Research Institute of Hematology and Blood Transfusion, Moscow
1976	MD	General medicine	N. Narimanov Azerbaijan State Medical Institute, Baku, Azerbaijan
	Internship	Surgery	
	Specialization	Transfusiology	
	Specialization	Clinical laboratory diagnostics	

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
2021–present	Professor	Department of Anesthesiology and Intensive Care	I. M. Sechenov First Moscow State Medical University, Moscow, Russian Federation

Years	Position	Department / unit	Institution, city, country
1992–present	Head of the Department of Transfusiology		Russian Scientific Center of Surgery named after B. V. Petrovsky, Moscow
1999–present	Transfusiologist of the highest qualification category		Russian Scientific Center of Surgery named after B. V. Petrovsky, Moscow
2017–2021	Head of the laboratory and hemotransfusiology complex		I. M. Sechenov First Moscow State Medical University, Moscow
2012–2021	Head of the Blood Center		I. M. Sechenov First Moscow State Medical University, Moscow
1999–2018	Head of the Department of Clinical Transfusiology		I. M. Sechenov First Moscow State Medical University, Moscow
1998–2012	Head of the interclinical blood-transfusion department		I. M. Sechenov Moscow Medical Academy, Moscow
2006–2012	Head of the Department of Transfusiology and Laboratory Technologies		Russian Scientific Center of Surgery named after B. V. Petrovsky, Moscow
1988–1992	Head of the laboratory of toxicology and hygienic standardization		All-Union Scientific Center of Biologically Active Substances
1980–1988	Senior researcher and head of the immunological-typing group		Azerbaijan Research Institute of Hematology and Blood Transfusion, Baku
1986–1988	Doctoral student		Hematological Scientific Center, Russian Academy of Medical Sciences, Moscow
1977–1980	Postgraduate student		Central Research Institute of Hematology and Blood Transfusion, Moscow
1976–1977	Junior researcher		Azerbaijan Research Institute of Hematology and Blood Transfusion, Baku

Research metrics

Indicator	Value	Source	Date checked
Scientific works	More than 390	CV	
Monographs	18	CV	
Textbooks and teaching aids	13	CV	
Inventions	4	CV

Awards, honors and fellowships

Year	Award / honor	Awarding body
2009	Medal for the 100th anniversary of Academician B. V. Petrovsky	
2001	Best original scientific monograph	I. M. Sechenov Moscow Medical Academy
2000	Person of the Year of the Russian Scientific Center of Surgery	Russian Scientific Center of Surgery named after B. V. Petrovsky

Supervision

Level	Number	Notes
Candidate dissertations	15	
Doctoral dissertations	6	

Teaching

Years	Course	Level	Institution
2021–present	Anesthesiology and intensive care		I. M. Sechenov First Moscow State Medical University
1999–2018	Clinical transfusiology		I. M. Sechenov First Moscow State Medical University
1998–2012	Transfusiology course		Russian Scientific Center of Surgery named after B. V. Petrovsky

Invited talks and conference participation

Year	Event, place	Type	Title of talk
2009– 2019	Conference of the Blood Service of Russia	Participation	
2018	First Congress of Hematologists of Azerbaijan	Participation	
2010, 2014, 2016, 2018	AABB, American Association of Blood Banks	Participation	
2009	ISBT, International Society of Blood Transfusion, Japan	Participation	
2010, 2016	Scientific-practical conference of transfusiologists of Belarus	Participation	
2010	Russian Scientific Center of Surgery, Moscow	Conference	Heparin-induced thrombocytopenia
2012	Bureau of the Department of Medical and Biological Sciences, Russian Academy of Medical Sciences	Scientific report	The present, problems, and prospects of transfusiology. Vestnik RAMN, 2012, no. 10, pp. 70–77
