

CURRICULUM VITAE

Toghrul Talishinskiy, MD

Assistant Professor of Surgery; Director of Minimally Invasive and Robotic Surgery

St. Joseph's University Medical Center, Paterson, New Jersey, United States

Contact and identifiers

Full name (as in publications)	Toghrul Talishinskiy
Name in Azerbaijani	Toğrul Talışinski
Country of residence	United States
Institutional email	talishinskt@sjhmc.org
Scientific field	Surgery (minimally invasive and bariatric surgery)

Profile summary

Toghrul Talishinskiy is an assistant professor of surgery and an attending physician at St. Joseph's University Medical Center, where he is director of minimally invasive and robotic surgery, director of the minimally invasive surgery fellowship, and chief of bariatric surgery. He received an MD from the American University of the Caribbean School of Medicine in 2005–2009, after a BSc in biology and an MSc in management at Brescia University. He completed a general surgery residency at New York University, a surgical critical-care fellowship at the University of Michigan, and a minimally invasive surgery fellowship at Hackensack University Medical Center. He is a fellow of the American College of Surgeons and of the American Society for Metabolic and Bariatric Surgery.

Education

Years	Degree	Field / thesis title	Institution, city, country
September 2005–May 2009	MD		American University of the Caribbean School of Medicine
September 2004–May 2005	MSc	Management	Brescia University, Kentucky, United States
September 2000–May 2004	BSc	Biology, minor in chemistry. Dean's list. Full scholarship	Brescia University, Kentucky, United States

Academic and professional positions

Years	Position	Department / unit	Institution, city, country
	Assistant professor of surgery; attending physician; director of minimally invasive and robotic surgery; director of the minimally invasive surgery fellowship; chief of bariatric surgery	Department of Surgery	St. Joseph's University Medical Center, Paterson, New Jersey, United States

Years	Position	Department / unit	Institution, city, country
July 2015– June 2016	Minimally invasive surgery fellow	Department of Surgery	Hackensack University Medical Center, Hackensack, New Jersey, United States
July 2014– June 2015	Surgical critical-care fellow	Department of Surgery	University of Michigan, Ann Arbor, Michigan, United States
July 2010– June 2014	General surgery resident	Department of Surgery	New York University, New York, United States
July 2009– June 2010	General surgery intern	Department of Surgery	New York Medical College, Sound Shore Medical Center of Westchester, New Rochelle, New York, United States

Awards, honors and fellowships

Year	Award / honor	Awarding body
2017	Honorable mention in basic clinical investigation, Dr. George Perez Research Colloquium	Seton Hall University
2015	Top Doc Award, minimally invasive surgery fellowship course	Florida
September 2014	Making a Difference	University of Michigan Health System
2010	Surgical Intern of the Year	New York Medical College, Sound Shore Medical Center of Westchester
	Full-tuition scholarship for medical school	Ministry of Education of the Republic of Azerbaijan

Teaching

Years	Course	Level	Institution
November 2022	Pediatric grand rounds: adolescent obesity		St. Joseph's University Medical Center, Paterson, New Jersey
November 2020	Pediatric grand rounds: adolescent obesity		St. Joseph's University Medical Center, Paterson, New Jersey
November 2018	Pediatric grand rounds: adolescent obesity		St. Joseph's University Medical Center, Paterson, New Jersey
	Minimally invasive journal club	Residents and medical students	Hackensack University Medical Center

Invited talks and conference participation

Year	Event, place	Type	Title of talk
September 2022	International Federation for the Surgery of Obesity, Miami	Presentation	Residency education in bariatric surgery
October 2020	American College of Surgeons Clinical Congress, Chicago	Presentation	Management of thoracic duct injury during hiatal hernia repair
September 2019	International Federation for the Surgery of Obesity, Madrid, Spain	Presentation	Endoscopic reversal of RYGB with gastrogastic fistula creation for severe malnutrition and chronic non-healing marginal ulcer
September 2018	International Federation for the Surgery of Obesity, Dubai, United Arab Emirates	Presentation	Do preoperative insurance-mandated medical weight-management programs in sleeve gastrectomy patients improve postoperative weight-loss outcomes at 1 year?
April 2018	SAGES	Presentation	Bleeding after sleeve gastrectomy: a single-center experience
September 2017	International Federation for the Surgery of Obesity, London, United Kingdom	Presentation	Histopathologic findings in sleeve gastrectomy patients
September 2017	International Federation for the Surgery of Obesity, London, United Kingdom	Presentation	Role of Helicobacter pylori screening in sleeve gastrectomy patients
October 2016	Obesity Week, New Orleans, United States	Presentation	Initiation of early feeding in sleeve gastrectomy patients: a prospective observational single-institution study
May 2016	Digestive Disease Week, San Diego, United States	Presentation	Portomesenteric thrombosis after laparoscopic sleeve gastrectomy
April 2015	International Pediatric Endosurgery Group 24th Annual Conference	Presentation	Unique retrieval of ingested magnets via laparoscopic appendectomy
2012	International Conference and Exhibition on Surgery and Transplantation, San Antonio, United States	Presentation	Late perforation of the jejuno-jejunal anastomosis after laparoscopic Roux-en-Y gastric bypass
August 2012	James W. Freston Single Topic Conference, American Gastroenterological Association	Presentation	Rapunzel syndrome
March 2010	Belsky Research Presentation, Danbury, Connecticut, United States	Presentation	Adult colo-colonic intussusception secondary to chronic appendicitis
